

## Sponsor Recognition

The sponsorship form on the inside of this brochure will outline how your support will align you with a popular and successful event in the area. We invite you to review and choose from the different levels of sponsorship we are pleased to offer. In return for your support, we will recognize you or your organization in the event programs and other ways detailed on the following page.

Please fill out the form inside to sponsor one or both events, or to purchase individual tickets.

Thank you for your commitment to Burgess Health Center. We can't wait to be "Kicking Up Our Heels" with you!

Sincerely,

Bart McDowell

## Proceeds Support

You can help ensure Burgess Health Center continues to provide quality care you can believe in by supporting Burgess Foundation. Through donations from people just like you, Burgess Foundation helps the hospital, clinics, and pharmacies purchase equipment and advance services that keep you and your family healthy. When it comes time to help you or a loved one, we know only the best will do.

Funds raised from the 2018 Poinsettia Ball and Holiday Brunch will help Burgess Health Center purchase a new CT machine for the radiology department.
