DECEMBER 10TH

5 P.M.

BOOTS & Bling

Onawa Community Center
320 10th St, Onawa, IA 51040

 **BURGESS**
Foundation

*It's a **FUNDRAISING** thing!*

HOWDY PARTNER

The Burgess Foundation's annual Poinsettia Ball event has been a long-standing tradition in our rural community of Onawa, IA. Each year, hundreds of supporters come for an evening of food, fun, and philanthropy. We saw things happen a little differently the last two years due to COVID, but we are excited to have ya'll together again. Saddle up - we are bringing the event back to the Onawa Community Center!

WANTED

Funds raised through this year's Poinsettia Ball will be used to provide our Surgery Department with new endoscopy equipment. Endoscopy is one of the most common medical imaging methods for screening and diagnosing conditions affecting the lungs, colon, throat, and gastrointestinal tract. Our scope equipment is aging, and with a new scope, our surgeons can see images clearer and determine whether or not a biopsy is needed.

LEND A HAND

First, mark your calendar to attend this year's Poinsettia Ball, December 10, 2022. Second, tell your friends and family! And last but *not* least, consider sponsoring! Our hope is to host a fabulous event for our supporters and to help Burgess Health Center continue to provide the best medical services.

HOW?

If you would like to become a sponsor, please call Bobbi at 712-423-9374 or email bjohnson@burgesshc.org.
